Although we may estimate what your insurance company may pay, it is your insurance company that makes the final determination of your eligibility and benefits. If your insurance company is not contracted with us, you agree to pay any portion of the charges not covered by insurance, including but not limited to those charges above the usual and customary allowance. If we are out of network for your insurance company and your insurance pays you directly, you are responsible for payment and agree to forward the payment to us immediately.
2. Certain health insurances (HMO, POS, etc.) require that you obtain a referral or prior authorization from you Primary Care Provider (PCP) before visiting a specialist. If your insurance company requires a referral and/or preauthorization, you are responsible for obtaining it. Failure to obtain the referral and/or preauthorization may result in a lower or no payment from the insurance company, and the balance will be your responsibility. Alternative payment arrangements or rescheduling of your appointment may be necessary if not obtained.
3. Fees for services, which include, unpaid balances, deductibles, co-payments, co-insurances, and non-covered over the counter products are due at the time of service unless previous arrangements have been made with a billing coordinator. Absolutely no post-dated checks will be accepted.
